SUBJECT OF EXAMINATION: The only subject of examination will be an evaluation of your training and experience. You are, therefore, asked to include in your application a summary of all-pertinent training and experience in sufficient detail so that your background may be evaluated against the duties of the position.

In your summary of training, include all college course work, formal in-service training, and seminars you have attended. You must specify either the number of credits received or the number of contact hours and dates of attendance. Also include a copy of your professional license or documentation indicating eligibility for licensure. Specify the date that your license was first issued.

In your summary of experience, you must specify the dates of your employment, the number of hours worked per week, your title, and the main duties for each. Be specific; vagueness and ambiguity will not be resolved in your favor. Candidates who submit incomplete applications or documentation may be disqualified.

VETERANS CLAIMING ADDITIONAL CREDITS: Non-disabled and disabled veterans who wish to claim additional credits **MUST** request a Veterans Credits application from our office. This form must be completed and submitted along with a war service (DD214) form prior to the establishment of the resulting eligible list. Veterans credits may only be added to a passing score and may only be used for appointment once. Candidates currently in the armed forces may apply for and be conditionally granted veteran's credits. Any candidate who applies for such credits must provide proof of military status to receive the conditional credits. **You may not claim additional Veterans Credits after the eligible list has been established. It is the candidate's responsibility to request the Veterans Credits application forms and submit these forms and any required supporting paperwork before the eligible list is established.**

On November 5, 2013, New York State voters approved an amendment to Article 5, section 6, of the New York Constitution regarding the award and use of additional credits for certain disabled veterans on open competitive and promotion civil service examinations for positions with New York State and local governments.

For eligible lists established after January 1, 2014, disabled veterans may be entitled to additional credits on a civil service examination. Every situation is different. If you have specific questions or concerns, please contact our office.

A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility.
