

## EMERGENCY SERVICES ANALYST

**DISTINGUISHING FEATURES OF THE CLASS:** This position, within the Ulster County Department of Emergency Services, is responsible for receiving discovery requests while also providing analytical support. The incumbent is responsible for receiving and managing discovery requests from various legal entities, handling the collection and dissemination of pertinent documentation, and ensuring that all available documents, forms, reports, radio transmissions, and phone calls involved in a criminal prosecution are collected and provided to the requesting agency or individual within the required legal time frame. Discretion, confidentiality and integrity are key aspects of the work of this position, especially as they relate to the authorization of discovery documentation and data analysis. Work is performed under the general supervision of a higher-level employee with leeway allowed for the use of independent judgement in carrying out the details of the work. Supervision is not normally a function of this class. Does related work as required.

**TYPICAL WORK ACTIVITIES:** The typical work activities listed below, while providing representative examples of the variety of work assignments in the title do not describe any individual position. Incumbents in this title may perform some or all of the following, as well as other related activities not described.

Works closely with the legal and emergency services entities to report and resolve any known or observed systems issues;

Secures all prepared documents, forms and reports with regards to an incident and uploads into the various record and evidence management systems upon request, or provides in another format (DVD, CD, flash drive etc.) if requested;

Locates, reviews, downloads and saves all recorded telephone calls and radio transmissions involved in an incident and uploads to the various record and evidence management systems upon request, or provides in another format (CD, flash drive etc.) upon request;

Implements records release policies that comply with State and Federal criminal procedure laws regarding discovery requirements;

Ensures that records are maintained until the appeals process has been exhausted;

Assures legal compliance in discovery records retention and destruction;

Provides timely email confirmation to requesting agencies or individuals regarding the status of requested items;

Maintains record of all Discovery requests made and completed;

Develops and ensures necessary confidentiality when acting as a liaison between the Department of Emergency Services and the various governmental and private agencies and community groups which come in contact with the Department;

Fields calls from the public and outside agencies with regard to discovery related requests;

## **Emergency Services Analyst**

**Page 2**

Develops and maintains a system of administrative reports, analyses and files for the development of statistical data for use in the overall management of Discovery and department operations;
